Lecture 26

# CSCI 141

Lecture 26

We're almost done y'all

# Announcements

# Announcements

- **Reminder: No late A5 submissions accepted past Thursday 12/5 at 10pm**

# Announcements

- **Reminder: No late A5 submissions accepted past Thursday 12/5 at 10pm**
- Sample final coding questions are posted on Canvas (as a "Page")

# Announcements

- **Reminder: No late A5 submissions accepted past Thursday 12/5 at 10pm**
- Sample final coding questions are posted on Canvas (as a "Page")
- All material for the exam has been presented: anything new is bonus extra fun stuff that won't be tested.

# Announcements

- **Reminder: No late A5 submissions accepted past Thursday 12/5 at 10pm**
- Sample final coding questions are posted on Canvas (as a "Page")
- All material for the exam has been presented: anything new is bonus extra fun stuff that won't be tested.
- Wednesday and Friday will be review. No quizzes, attendance is not required. Bring questions!

# Review Quiz

- Review quiz will be live on Socrative in 5-10 minutes.
- 7 points for taking it, 5 points for each correct answer.
- Collaborate however you like.

# Course Evaluations

- Find the envelope with a sticky note with your CRN / **Lab** day and time.
- Two sheets - bubbles and open-ended comments
- **Specific, actionable** feedback is most helpful!
- Volunteer to take envelopes to the Registrar's office
- Reminder to Scott: read the thingy out loud
