Computer Graphics

Lecture 24
Spline Curves

Announcements

- Final project proposal feedback is out (did you get the memo?)

- Create your own github repo and give me (swehrwein) access.

- Want to do a final project showcase during our final exam timeslot?

Grad Presentations

- Next week - presenters should have gotten a Canvas announcement last night.

- Schedule on the website: 5 classes, MTWFM.

- To encourage attendance: 5 points of "Written Homework" credit for submitting a few-sentence summary of each presentation.

  - Scored out of 20, so you can miss 1 class without penalty.

Announcements

- Class tomorrow: lab in CF 420
  lab code due by Friday evening at 5pm.

- Class Friday: canceled.

Hey Scott, turn off the projector now
